

Before

World Cleft Lip and Palate Awareness Month

During July we commemorated World Cleft Lip and Palate Awareness Month. We are very proud to be able to assist these children and to help them smile with confidence.

After

NEW ADVERTORIAL VIDEO

Part of our goals for the year is to create more awareness about cleft lips and palates and about what Nampharm Foundation does, and what better way than a brand-new advertorial video! We are very excited about this amazing new product, please share it with all your friends and family.

Visit our YouTube channel or use the following link to view our new video –

Not only did we have a soft-launch for our new video, but we also signed the renewal of our 5-year agreement with the Ministry of Health and Social Services.

We also celebrated the 19th birthday of Nampharm Foundation, together with the birthday of our Patron Madame Penehupifo Pohamba.

LADIES HIKING ADVENTURE

Our annual Ladies Hiking Adventure was a huge success! The group of 20 ladies had a blast while hiking at the beautiful and peaceful farm of Las Vegas Namibia. We cannot wait for what next year's hiking adventure will entail.

CLEFT LIP AND PALATE AWARENESS WALK

We are very proud that our first Cleft lip and Palate Awareness Walk attracted so many participants, it was a morning filled with joy, happiness and great spirits!
