November '22

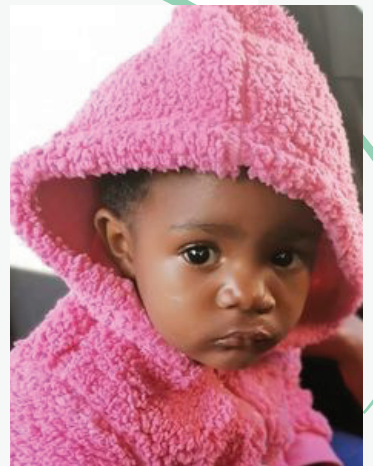

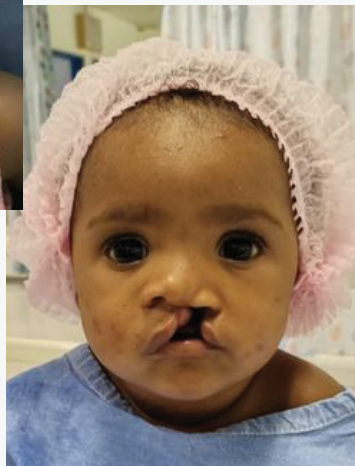

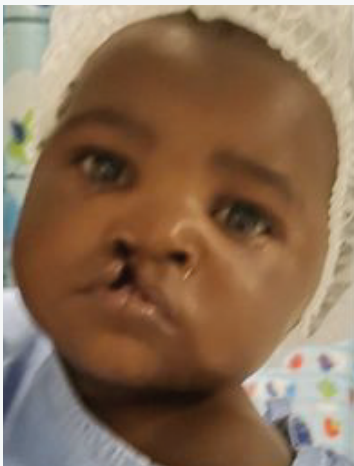

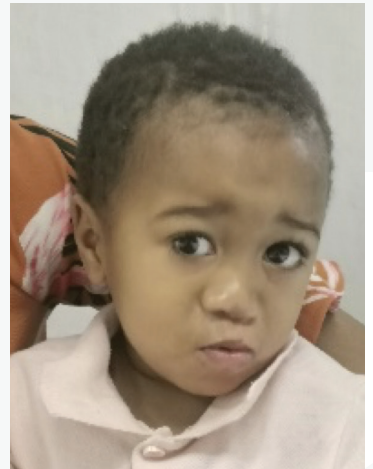

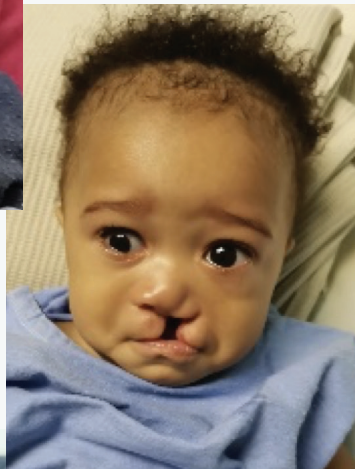

As the year comes to an end, we are proud to report that we have carried out 33 procedures and another 9 to go. Our last operation date will be 30 November and we will commence on the 18th of January 2023.

We are proud to announce that First Rand Namibia sponsored N\$200 000 this year towards our project. For 2022 – we have spent N\$589 595.00.

During 2022, these are some of the smiles that were created:

In 2023.... We will be hosting 6 fundraising events because we need funds to ensure that no child is turned away.
