CREATING MORE SMILES!!!!

RACE FOR A SMILE

Synergy Seminars handed over a cheque of N\$24 000, (Twenty-four thousand Namibian Dollars) to the Patron of the Foundation, the First Lady of the Republic of Namibia, Madame Penehupifo Pohamba.

Pictured here with Madame Penehupifo Pohamba is Mr Basil Jackman, from Synergy Seminars.

SMILES FOR "3" IN FEBRUARY 2012

Baby Immanuel had his lip repaired in February but sadly passed away on the 14th of April due to other complications

Mujakuree also has a new smile

Sitoti's operation actually led us to 2 other patients that need facial reconstructive surgery.

A BIG THANK YOU

We would like to thank the Lawson Family from England— Nicholas, his wife Juliet and their son, Milo, who was also born with a cleft lip, for their generous donation.

We received 100 special feeding bottles and 100 teats that will be given to babies born with cleft lips and palates to enable them to feed easily.

ONE VISION

Josephine's operation was sponsored by Operation Smile South Africa under their World Care Program and the Ministry of Health and Social Services. The foundation assisted in sponsoring air tickets to Durban for her and her mother.

TO CONTRIBUTE TO THE NAMPHARM FOUNDATION PROJECTS :-

Bank Windhoek
